1 INTRODUCTION

This User Manual is a comprehensive resource designed to facilitate your navigation and utilization of our web application's features. This guide provides detailed instructions to enhance your overall shopping experience.

Users can initiate their session by logging in with their credentials, thereby gaining access to the full suite of application functionalities. For those without an existing account, registration is straightforward; simply click the "sign up here" link next to the prompt for new users.

The application offers real-time visibility into product availability, automatically disabling the purchase button for items that are out of stock. This functionality ensures users only engage with products available for purchase, thereby optimizing the shopping experience.

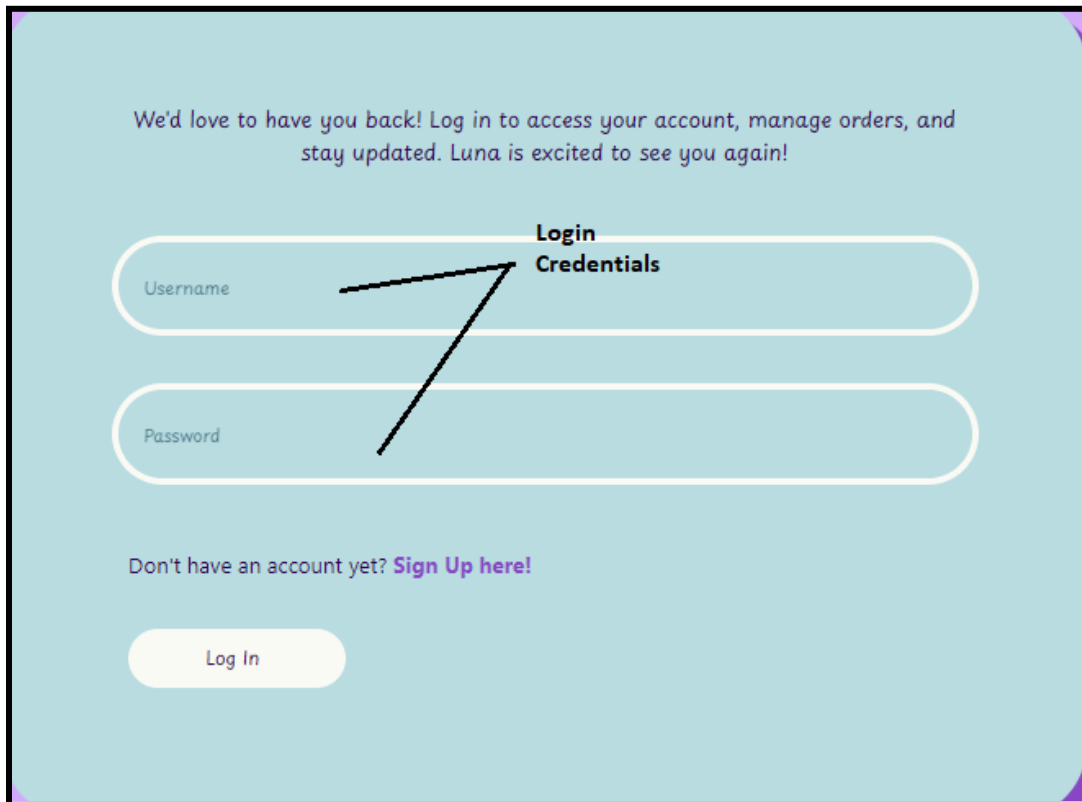

Furthermore, this manual explains how to efficiently add products to your cart, adjust quantities, and manage selections prior to checkout. With a user-friendly search feature accessible from the home page, locating products is both quick and convenient. This manual is intended to be your essential guide for navigating the web application with professionalism and ease.

2 LOGIN/SIGNUP PAGE

Allows users to create and manage their own accounts, giving them full access to all the features and capabilities of the web application. By having a personalized account, users can take advantage of the platform's complete functionality, including customized settings, exclusive content, and personalized experiences. This ensures that they can fully utilize the web application's services and enjoy a more tailored and comprehensive experience.

2.1 User Log In

Allows the user to input their login credentials to fully access the web application's features.

We'd love to have you back! Log in to access your account, manage orders, and stay updated. Luna is excited to see you again!

Log In

Signup Link

The image shows a light blue login and registration form. At the top, a message welcomes users back. Below this are two input fields for 'Username' and 'Password'. Further down, there is a line of text: 'Don't have an account yet? Sign Up here!'. The 'Sign Up here!' text is a purple link. A black arrow points from the text 'Signup Link' to this purple link. At the bottom left of the form is a 'Log In' button.

2.2 User Sign-up

Users must enter their preferred username, email, address, and password. Once they sign up, they will be directed to the login page to enter their credentials.

We're excited to welcome you! Sign up to join our community, stay connected, and be the first to know about the latest from Luna. Let's get started!

3 PRODUCTS PAGE

The Products Page provides users with an engaging browsing experience, allowing them to explore a wide variety of products offered by the business. This feature enables customers to view detailed information about each product, including availability status, search, add to cart, images, and pricing, making it easier to find the items that best suit their needs. It also serves as a convenient way for users to discover new products and stay informed about the latest offerings from the business.

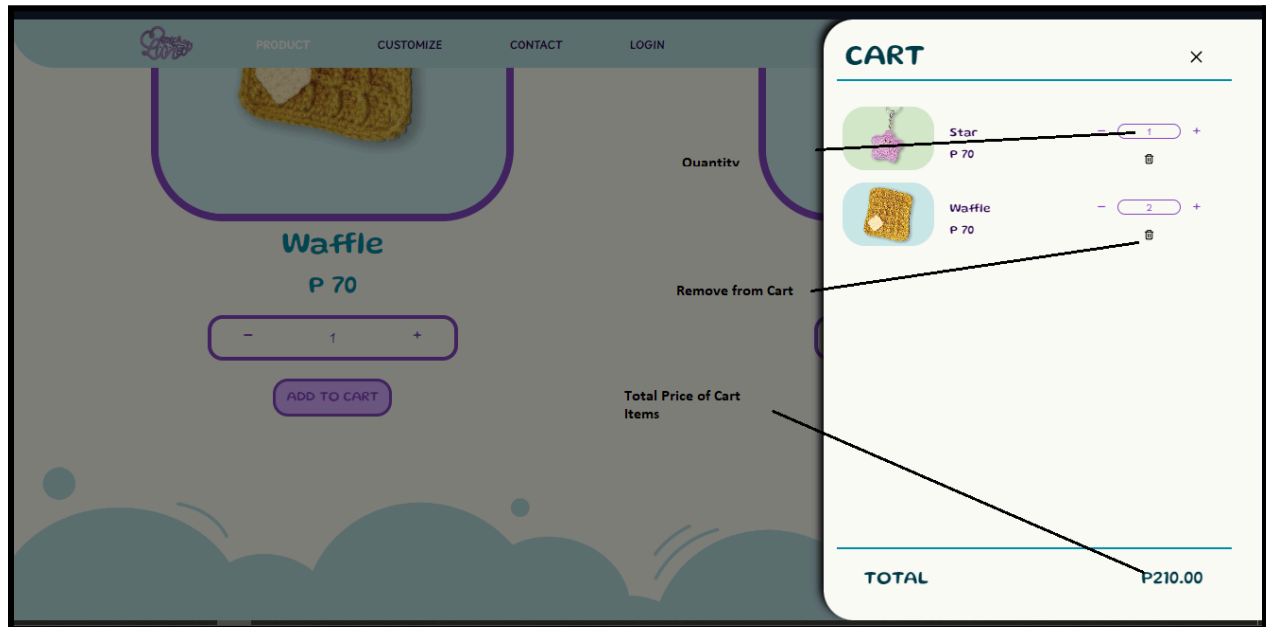

3.1 *Availability of Products*

The web app provides users with access to the product's availability. When an item is out of stock, it automatically disables the purchase button, preventing orders for unavailable products. This ensures users only see items they can buy, enhancing their shopping experience.

3.2 *Add to cart*

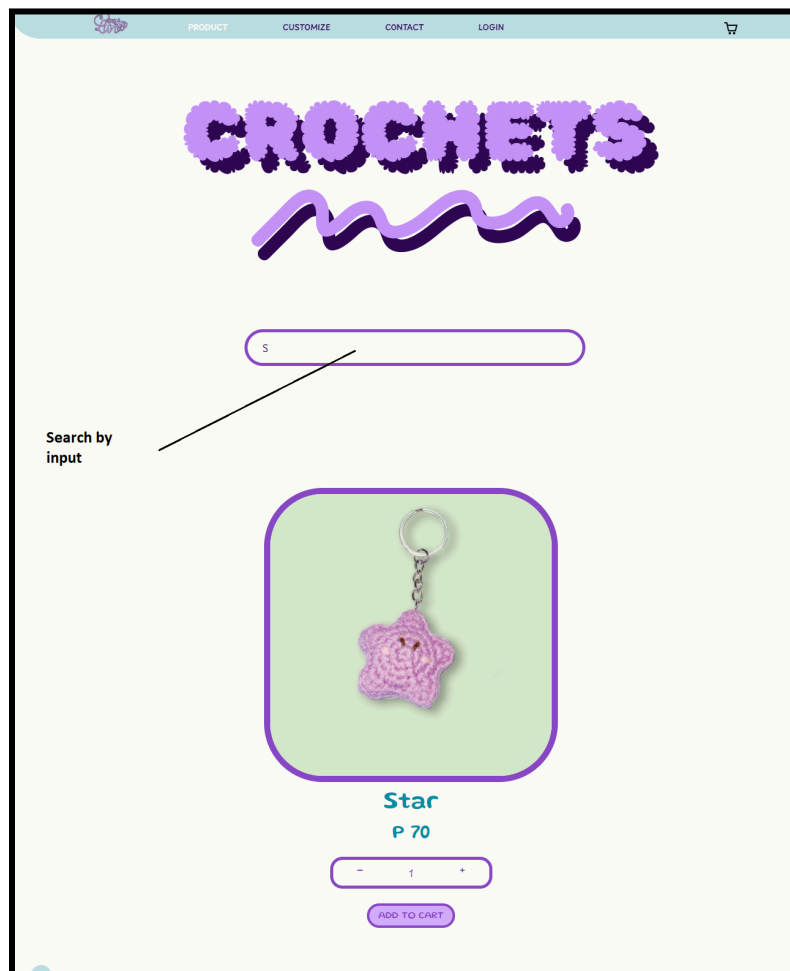

Users can adjust the quantity as needed once an item is added to the cart, which automatically updates the total cost. Users can also remove items from the cart, which will affect the total cost

of their purchases. This feature helps users keep track of their spending and manage their selections efficiently before proceeding to checkout.

3.3 Search Feature

Users can search for products directly from the home page, providing a more convenient way to browse the product page. It filters the product automatically based on the search terms entered, allowing users to quickly find relevant items. This functionality enhances the browsing experience by narrowing down results in real-time, ensuring users can easily locate products that meet their needs without unnecessary scrolling.

4 CUSTOMIZATION PAGE

Enables customers to submit their desired customized crochet product specifications. This feature streamlines the process for the owner to create the product based on the customer's preferences.

To utilize this feature, the customer needs to provide the following details:

- First Name
- Last Name
- Email Address
- Contact Number (optional)
- House Number, Barangay, City
- Province
- Zip Code
- Reference Images for Inspiration
- Product Description

The screenshot shows a web application interface for customizing a crochet product. The header includes navigation links: PRODUCT, CUSTOMIZE, CONTACT, and LOGOUT. The main heading is "CROCHET IT YOUR WAY" with a decorative wavy line below it. A message reads: "Have a vision in mind? We'd love to hear about it! Share your ideas, preferences, or requests for your custom crochet piece or just slide a DM in Instagram. Luna herself will take a look! Let's create something truly unique together." The form contains the following labeled fields:

- Input First Name**: Points to the "First Name" input field.
- Input Last Name**: Points to the "Last Name" input field.
- Input Email**: Points to the "Email" input field.
- Input Contact No.**: Points to the "Custom Number(Optional)" input field.
- Input House Number, Barangay, City**: Points to the "House Number, Barangay, City" input field.
- Input Province**: Points to the "Province" input field.
- Input ZIP code**: Points to the "ZIP Code" input field.
- Upload Image for Reference/Inspiration**: Points to the "Upload Image for Reference/Inspiration" button.
- Input a detailed Product Description**: Points to the "Specify your preference for your custom crochet" text area.
- SUBMIT**: Points to the "SUBMIT" button.

A note at the bottom right states: "Click the submit button after the the necessary details are entered".

Once all the information is entered, the customer simply clicks the submit button. The owner will then take care of the rest and keep the customer informed about any progress or updates via the provided email or contact number, if needed.

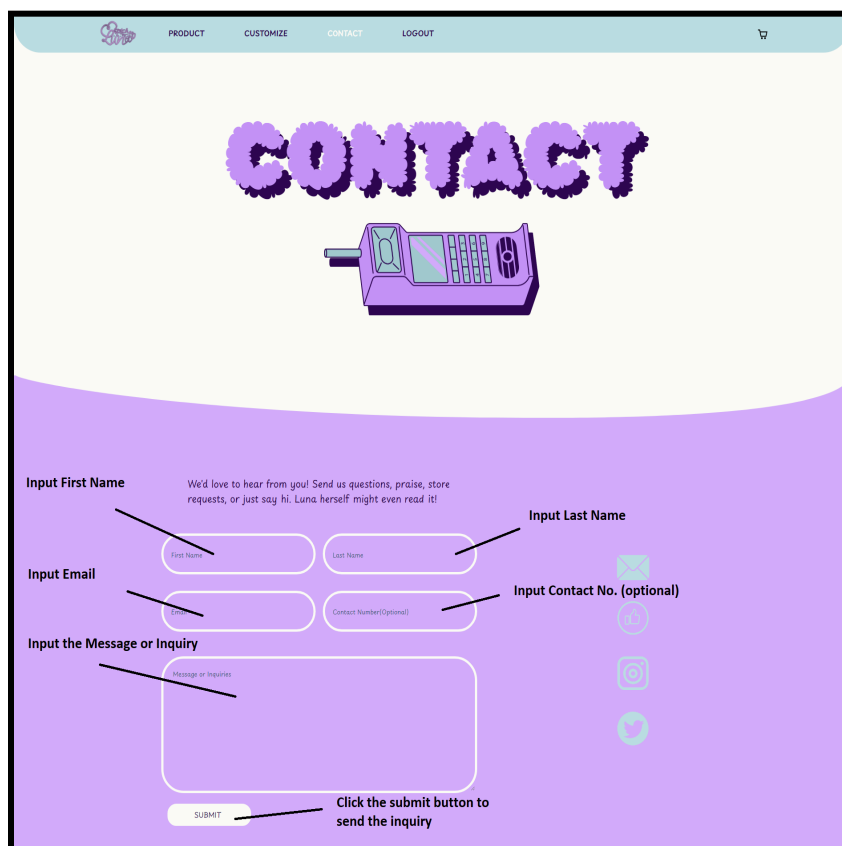

5 CONTACT PAGE

Allows users to get in touch with the owner for technical issues, concerns, clarifications, or inquiries. This feature facilitates effective communication between the customer and the owner.

To use this feature, the user needs to provide the following details:

- First Name
- Last Name
- Email Address
- Contact Number (optional)
- Message or Inquiry

After entering the required information, the user simply clicks the submit button to send the message or inquiry to the owner.

The screenshot shows the 'CONTACT' page of the 'Stitches by Luna' web application. The page has a light blue header with navigation links: PRODUCT, CUSTOMIZE, CONTACT, and LOGOUT. The main content area has a light blue background with the word 'CONTACT' in large, bold, blue letters. Below the title is a blue illustration of a mobile phone. The form area has a light blue background and contains the following fields and labels:

- Input First Name:** A text input field labeled 'First Name'.
- Input Last Name:** A text input field labeled 'Last Name'.
- Input Email:** A text input field labeled 'Email'.
- Input Contact No. (optional):** A text input field labeled 'Contact Number (Optional)'.
- Input the Message or Inquiry:** A large text area labeled 'Message or Inquiry'.
- Click the submit button to send the inquiry:** A blue button labeled 'SUBMIT'.

On the right side of the form, there are four social media icons: a blue envelope icon, a blue Twitter icon, a blue Instagram icon, and a blue Facebook icon.
